

GHOST TEAM

To Whom it may concern,

I am writing this letter to recommend Robert Murch in the area of Ouija / Talking boards. Robert was very helpful to us when researching the use and practice of such a board in my recent feature film Ghost Team.

I would highly recommend Murch for any future consultation and media opportunities, as he is incredibly knowledgeable, and very easy to work with.

All my best,

A handwritten signature in black ink, appearing to read "Oliver". The signature is fluid and cursive, with a small dot above the 'i' and a horizontal line extending from the end.

Oliver Irving.
